1152M

5152Z

5252K

5252K/2

Secretary 5252K (Body 5 degree edges)

Our model 5252K is equipped with very beautiful and comfortable, modern handles. The soft 5 degree rounding of the body makes the bureau nice to touch. Please also notice the through-going wood used for the doors.

Can be delivered in solid teak, oak, ash, cherry, steamed beech, pine, alder and redheart beech as well as walnut

Also available in veneered teak.

Secretary desk 5252K/2 (Body 5 degree edges)

From the interest generated from our 5252K secretary it turned out that many of our customers actually prefer the all wood designs of our furniture and due to many requests we introduced this version identical to 5252K but with recessed, perfectly finished handles instead of the metal grips

The model is available in solid
Teak
Oak
Ash
Cherry
Steamed beech
Pine
Alder
Redheart beech
Walnut

Laptop table 5942K (Body 5 degree edges)

The alternative to our tambour door versions is the 5942K laptop table which accommodates a printer and laptop easily and also has an inside drawer.

The model is available in solid
Teak
Oak
Ash
Cherry
Steamed beech
Pine
Alder
Redheart beech
Walnut

In addition the models is offered under model number 5942VK in veneered block board teak, oak, cherry and walnut.

Secretary 5152Z (sharp edged)

The dyrlund 5152Z is sharp edged and with nice square recessed handles. The small inside drawers show great craftsmanship.

The secretaire has excellent storage facilities for laptop—also for connecting to the printer in the lower section and it is even possible to lock the upper section when the secretaire is closed for safety purposes. These advantages are in all our secretaries.

Our secretaries always have width 79 cm depth 46 cm and height 105 cm.

Available in solid wood in teak, oak, ash, cherry, steamed beech, pine, alder and redheart beech as well as walnut

Secretary 1152M (fully rounded)

Our deluxe secretaire from the frederiksborg range is equipped with framed doors and leather writing pad.

Available in solid wood in teak, oak, ash, cherry, steamed beech, pine, alder and redheart beech as well as walnut

Also available veneered with solid fronts, tambour and inside parts in teak, oak and cherry as model number 1952V

Secretary 1152M (fully rounded)

Secrétaire 1156M (fully rounded)

The secretaire can alternatively be delivered with drawers and leather writing pad as model 1156M.

Available in solid wood in teak, oak, ash, cherry, steamed beech, pine, alder and redheart beech as well as walnut.

Secretary 1952S (rounded)

An alternative is our 1152S (solid) and 1952S (part solid) with plain doors and writing pad in wood.

1152S is available in solid teak, oak, ash, cherry, steamed beech, pine, alder, redheart beech and walnut while 1952S comes in veneered teak, oak and cherry.
